### Banking and Finance

#### *ESAF small finance bank gets RBI nod to operate as scheduled bank*

- **ESAF small finance bank which received the first banking license in Kerala since independence has got RBI approval to operate as scheduled bank.**
- This makes Thrissur-based ESAF small finance bank (SFB) the fifth scheduled bank from Kerala. **ESAF micro finance institution, started in 1992, was one among the ten applicants to receive approval from RBI to start banking operations in 2016.**
- The bank has established a network of 432 banking outlets spread across 13 States and has a customer base of 2.6 million. The total loans and advances stand at Rs 4660 crore and the deposit base is at over Rs 3300 crore. The CRAR stands at 27.39%.
- **Recently the bank announced its half-yearly results which showed a 150% growth on year-on-year basis in the net profit which stood at Rs 24.06 crore as on September 30, 2018.** The advances grew by 70% and deposits jumped by 190 % during the period.

#### *RBI to set up compliance portal to track cyber fraud*

- The **Reserve Bank of India (RBI)** would set up a **compliance and tracking system portal to tackle the proliferation of cyber-fraud and seeks to establish a better redressal mechanism for consumers.**
- With digital transactions gaining traction, RBI's customer-protection measures are seen as a bid to promote and improve confidence in the digital channel.
- This will support the government's objective of **creating a 'less-cash' economy.**
- Other than the registered banks and NBFCs, **the proposed online portal would also address cybersecurity complaints from all regulated entities including Prepaid Payment Instruments (PPIs) and mobile banking interfaces as directed under the Internal Ombudsman Scheme of 2018, according to the central bank.**

#### *Over 1.12 lakh MSME loan applications approved under '59 minutes' scheme*

- **Public sector banks have approved more than 1.12 lakh loan applications of MSMEs totalling Rs 37,412 crore under the '59 minutes' loan scheme** launched by the government in November.
- GST-registered micro, small and medium enterprises (MSMEs) can take loan up to Rs 1 crore in just 59 minutes through 'psbloansin59minutes.com' portal.
- Giving details about the progress of the scheme, Minister of State for Finance Shiv Pratap Shukla in a written reply to the Lok Sabha said that as on December 25, out of over 1.31 lakh applications, the state-owned banks have accorded in-principal approval to 1.12 lakh applicants.

### ***Gross NPAs jump to 11.2% or Rs 10.39 tln in FY18: RBI Report***

- The number of ATMs has declined marginally to 2.07 lakh in FY18 from 2.08 lakh in FY17, primarily due to branch rationalisation by a few public sector banks, the Reserve Bank said in its annual report Friday.
- Similarly, the number of operational on-site ATMs too came down to 1.06 lakh during the year from 1.09 lakh in FY17, while that of off-site ATMs increased to 1 lakh from 98,545.
- "In FY18, the number of ATMs of state-run banks declined to 1.45 lakh from 1.48 lakh in FY17," the RBI said in the 'Trends & Progress of Banking in 2017-18' report.
- However, private sector banks installed more ATMs taking their total number to 60,145 in FY18, up from 58,833 in the previous fiscal year, the central bank report said.

### ***RBI exploring mobile phone-based solution to help visually impaired identify banknotes***

- The Reserve Bank of India is exploring the possibility of mobile phone-based solution to help visually-impaired people easily identify the currency notes.
- Currently, intaglio printing-based identification marks are present in the banknotes of Rs 100 and above for helping the visually challenged.
- About 80 lakh people in the country are likely to benefit from the initiative.
- The device/mechanism, once developed should be able to identify the denomination of a currency within two seconds and read it out in English or Hindi for the users.

### ***RBI extends liquidity sops for banks to March 31***

- The Reserve Bank of India has extended the relaxation offered to banks for offering liquidity support to NBFCs up to March 31.
- It had allowed banks to use government securities equal to their outstanding credit to non-bank lenders- NBFCs and HFCs, over and above their outstanding credit to them as on October 19, to be used to meet liquidity coverage ratio (LCR) requirements.
- LCR are highly liquid assets that banks and financial institutions hold to meet their short term obligations. The Reserve Banks had relaxed these norms to help NBFCs get liquidity support from banks.
- Under the Facility to Avail Liquidity for Liquidity Coverage Ratio (FALLCR), the banks were allowed to reckon government securities as liquid assets within the mandatory statutory liquidity ratio (SLR) needs upto 0.5 per cent of the bank's deposits for incremental lending to NBFCs and HFCs after October 19, 2018.

## **India and States**
