## Current Affairs related to Finance and Banking

### Reserve Bank of India gives licence to Kirloskar Capital

- Kirloskar Capital, the non-banking financial company, has received the Reserve Bank of India's licence for its lending business. The move assumes significance at a time when the whole non-banking sector has been going through a crisis of confidence.
- Kirloskar Oil Engines Ltd (KOEL) distribution network, the company said in a release on Thursday. Corporate lending will be to help companies by providing debt funds for their growth. The initial focus will be on lending to small and medium-sized enterprises.
- The Kirloskar group has more than 30,000 retailers and about 1,000 dealers, who will be leveraged – especially for SME loans, the company said.

### GST collections cross Rs one lakh crore mark

- Revenue collections under the Goods and Services Tax (GST) crossed the Rs 1 lakh crore mark in October, Finance Minister Arun Jaitley said on Thursday.
- This was a marked improvement over the September GST collection (for August) which stood at Rs 94,442 crore.
- Jaitley attributed the rise in the tax mop-up to lower tax rates and higher compliance.
- The only other time the GST collections had crossed the Rs 1 lakh crore mark was in April (for the month of March) when it was attributed to it being the last month of the financial year when collections are usually high "as people also try to pay arrears of some previous months".

### Meeting of Financial Stability and Development Council held

- The Financial Stability and Development Council, FSDC, held a meeting in New Delhi on Tuesday which was presided over by Finance Minister Arun Jaitley.
- RBI Governor Urjit Patel, financial sector regulators and top officials of the Finance Ministry attended the meeting.
- It reviewed the progress in setting up a Computer Emergency Response Team in the financial sector under a statutory framework.
- The Council took note of the activities undertaken by the FSDC sub-committee chaired by the RBI Governor.

### ICICI Bank Launches Instant Digital Credit Facility for Small Payments "PayLater"

- India-based banking group ICICI Bank announced on Thursday the launch of its instant digital credit facility, PayLater, which was created to enable customers small-ticket items immediately in a completely digital and paperless manner.

- The launch of this new feature was announced days after ICICI Bank announced the launch of its new co-branded credit card with Amazon.
- According to ICICI Bank, the facility enables customers to shop online, pay bills and pay to any merchant UPI ID at physical stores instantly. The fintech noted that this facility leverages upon the technology unveiled in BHIM UPI 2.0 to extend digital credit to customers for making payments using UPI.

## **Current Affairs related to India and states**

### **IIT-Madras creates 'Shakti', India's first microprocessor**

- India's first indigenous microprocessor may soon power your mobile phones, surveillance cameras and smart meters.
- 'Shakti', designed, developed and booted by Indian Institute of Technology Madras, and with a microchip fabricated in the Semi-Conductor Laboratory of Indian Space Research Organisation (Isro) at Chandigarh, will reduce dependency on imported microchips and the risk of cyber attacks making it ideal for communication and defence sectors.
- Prof Kamakoti Veezhinathan, lead researcher at IITM's RISE laboratory, said the design originated from an open source instruction set architecture, a set of basic instructions a processor understands, called RISC V, which makes it customisable to any device.

### **India-Japan military exercise begins in Mizoram**

- Armies of India and Japan began their first-ever joint military exercise on November 1 at a jungle warfare school in Mizoram's Vairengte with a focus on strengthening counter-terror cooperation, officials said.
- The focus of the two-week-long exercise 'Dharma Guardian-2018' will be to enhance tactical skills against global terrorism and increase inter-operability between the two forces, the Army said in a statement.
- The Japanese contingent is represented by 32nd Infantry Battalion, while the Indian side by 6/1 Gorkha Rifles, it said.

### **India, Botswana agree to act tough on terror**

- India and Botswana on Thursday strongly condemned against terrorism and agreed to take determined and credible steps to eradicate the global menace.
- The vice presidents of both the countries "unequivocally condemned terrorism in all its forms and manifestations and stressed the importance of international efforts to prevent and fight the scourge of terrorism", according to an official statement from the Ministry of External Affairs.
- The two leaders witnessed the signing of the agreement on the exemption of visa requirement for holders of diplomatic passports.

### **Railways rolls out Unreserved Mobile Ticketing facility**

- Railway passengers can now book unreserved general tickets online from today (November 1).
- To avail the facility passengers have to download UTS on the mobile app from the google play or window store. After registering by providing the required details, the passengers will be given user ID and password through which the user can login and book the ticket.
- With this facility, passengers will not have to stand in long queues to buy tickets from the reservation counter window.
- Briefing reporters in New Delhi, member traffic, Railway Board, Girish Pillai said, the facility will be very useful for passengers and they will welcome this step.
