- The DBT and Wellcome Trust jointly support a three-tier fellowship programme on biomedical research at post-doctoral level.
- While speaking on the occasion of 10 years of their joint partnership, President Ram Nath Kovind suggested four frontlines in the battle to safeguard planet, species and future.
- The first is the environment; second frontline is that of lifestyle diseases; third frontline is infectious disease; and the final frontline is diseases of the brain.

## **Current Affairs related to World**

### **Amnesty International strips Myanmar's Aung San Suu Kyi of 'Ambassador of Conscience' Award**

- Amnesty International on November 12, 2018 stripped Myanmar's de facto leader Aung San Suu Kyi of its highest honour, the 'Ambassador of Conscience' award, over her indifference to atrocities committed by the Myanmar military against and increasing intolerance of freedom of expression.
- The Amnesty International, an international human rights group, named Suu Kyi as its 2009 Ambassador of Conscience Award recipient when she was still under house arrest for her opposition to Myanmar's oppressive military.
- However, considering her failure to speak out and her shielding of the security forces from accountability for the violence against the Rohingya, the organisation withdrew the honour from her.

#### **WhatsApp selects 20 teams to curb fake news globally, including India**

- Facebook-owned WhatsApp selected 20 research teams worldwide including experts from India and those of Indian origin who will work towards how misinformation spreads and what additional steps it could take to curb fake news.
- Shakuntala Banaji from London School of Economics and Political Science, Anushi Agrawal and Nihal Passanha from Bengaluru-based media and arts collective "Maraa" and Ramnath Bhat from LSE were selected for the paper "WhatsApp Vigilantes? WhatsApp messages and mob violence in India."
- The research examines the ways in which WhatsApp users understand and find solutions to the spate of "WhatsApp lynchings" that has killed over 30 people so far.

#### **17th AEC Council Meeting held in Singapore**

- The 17th ASEAN Economic Community (AEC) Council Meeting was held in Singapore as part of the 33rd ASEAN Summit and Related Summit Meetings.
- Apart from taking stock of regional economic integration efforts during the year, the meeting reiterated ASEAN's commitment to free and open trade by deepening the integration of its economies and realising the AEC Blueprint 2025.
- The meeting was attended by the ASEAN Economic Ministers and AEC Ministers.
- They signed the ASEAN Agreement on e-Commerce, Concluded the ASEAN Trade in Services Agreement (ATISA) and Finalised the Fourth Protocol to Amend the ASEAN Comprehensive Investment Agreement (ACIA).
- The agreements will help create a more conducive environment for the growth of e-Commerce in the region through advancing trade rules in e-Commerce and building up greater digital connectivity in ASEAN.

### **Current Affairs related to Sports**

#### **Wrestler Bajrang Punia achieves World No. 1 rank in 65 Kg category**

- Indian wrestler Bajrang Punia recently touched a new high in his career by achieving the number one rank in the world in the 65kg category.

- Bajrang was placed atop the ranking table with 96 points in the United World Wrestling (UWW) list.
- United World Wrestling is the international governing body for the sport of amateur wrestling. Its duties include overseeing wrestling at the Olympics.
- Bajrang has won five medals this season, including Common Wealth Games and the Asian Games gold and a silver at the World Championship in Budapest.

## **Current Affairs related to Obituaries**

### **Marvel Comics legend Stan Lee dies at 95**

- Stan Lee, person behind Spider-Man, Iron Man, the Hulk and a convoy of other Marvel Comics superheroes that became mythic figures in pop culture, died on November 12, 2018. He was 95.
- As a writer and editor, Lee was the main person behind the expansion of Marvel into a comic book in the 1960s.
- In collaboration with artists such as Jack Kirby and Steve Ditko, he created superheroes who would enthrall generations of young readers.
- His creations included web-slinging teenager Spider-Man, the muscle-bound Hulk, mutant outsiders The X-Men, the close-knit Fantastic Four and the playboy-inventor Tony Stark, better known as Iron Man.
- Dozens of Marvel Comics movies, with nearly all the major characters created by Lee, were produced in the first decades of the 21st century.
