### Prime Minister Narendra Modi launches India Post Payments Bank

- The Indian Prime Minister, Narendra Modi on September 1, 2018 launched the India Post Payments Bank (IPPB) at Talkatora Stadium in New Delhi. The initiative seeks to leverage the expansive network of the postal department to ensure financial inclusion for the masses.
- In fact, simultaneous launch events were held for the IPPBs at 650 branches and 3,250 access points.
- The objective of IPPB is to build the most accessible, affordable and trusted bank for the common man, spearhead the financial inclusion agenda by removing the barriers for the unbanked and reduce the opportunity cost for the under banked populace through assisted doorstep banking.
- It will help significantly expand the reach of the banking sector in India.
- The payments bank, where the Indian government holds 100 per cent equity, will leverage the vast network of the Department of Posts (DoP) that has more than three lakh postmen and Grameen Dak Sewaks.
- All the 1.55 lakh post offices in the country will be linked to the IPPB system by December 31, 2018.
- The IPPBs will offer a range of products such as savings and current accounts, money transfer, direct benefit transfers, bill and utility payments, and enterprise and merchant payments.
- These products, and related services, will be offered across multiple channels (counter services, micro-ATM, mobile banking app, SMS and IVR), using the bank's state-of-the-art technology platform.
