### *InstantPay launches neo-banking services for SMEs*

- **InstantPay reiterated its focus on the SME industry with its launch of the first-of-its-kind Neo-banking services.**
- **This new age branchless banking solution will allow SMEs the advantage of managing all their payments, collections and reconciliation on a single and seamless interface.**
- With its 100% digital and mobile platform **InstantPay** is trying to reinvent the practices of a traditional bank, while at the same time ensuring that they are more cost-effective, automated and convenient, in line with the requirements of today's SMEs.
- The existing **InstantPay** platform will offer a full-fledged business banking current account with an underlying bank.

### *Crif Highmark ties up with CreditVidya*

- **Credit bureau Crif Highmark and data analytics firm CreditVidya have tied up to help lenders provide credit to borrowers** who have been underserved or are new to credit and do not have a credit history
- The partnership between CRIF High Mark and CreditVidya envisages value added reports even if a customer has taken a loan or a credit card in the past.

### *Irdai panel suggests host of steps for speedy settlement of insurance claims*

- A panel set up by insurance regulator Irdai has suggested modifications in the norms for surveyors and loss assessors in order to attract youngsters and promote expeditious settlement of claims.
- Surveyors and loss assessors in insurance is a specialised field of work which is instrumental in the judicious settlement of claims.
- They are expected to survey and assess the damage/loss and submit report about it.
- The Insurance Regulatory and Development Authority of India (Irdai) had set up a Working Group (WG) to examine and deliberate upon the existing framework for surveyors and loss assessors and make its recommendations in the context of evolving challenges and opportunities in the area.

## India and states

### *Government launches pulse polio program 2019*

- In order to sustain polio eradication drive from the country, **government on Saturday launched Pulse Polio programme for 2019.**
- **President of India Ram Nath Kovind, launched the program by administering polio drops to children less than five years old, at the Rahstrapati Bhawan in New Delhi.**
- **More than 17 crore children of less than five years across the country will be given polio drops as part of the drive.**
- Health minister said that the government is making all efforts to protect children from more and more diseases and emphasized that all vaccines under the programme must reach every last child of the country.

- The government claimed that strengthening of immunization programme has contributed significantly to the decline of Infant Mortality Rate from 39 in 2014 to 32 per 1000 live births in 2017.
- The polio eradication programme in India aims to protect children from the crippling disease by conducting two nationwide mass polio vaccination campaigns and two to three sub-national campaigns each year.

#### ***India's first LGBTQ clinic and HIV treatment centre inaugurated in Mumbai***

- Around 20 years after the **Humsafar Trust** started a support group for gay men, male sex workers and transgenders, creating awareness about the Human Immunodeficiency Virus (HIV), **the group inaugurated the country's first HIV treatment centre and holistic clinic for the for the lesbian, gay, bisexual, transgender and queer (LGBTQ) community.**
- Based out of the trust's office in Mumbai, the centre will give free counselling and provide Anti-Retroviral Therapy (ART).
- ART is the use of HIV medicines to treat the infection, and is recommended for everyone who is infected with virus and delays the progression of the disease.
- The centre will be open for all, said Ashok Row Kavi, founder chairperson of the Humsafar Trust.
